

# Two-day ATCA teachers summer workshop

**Wednesday 30<sup>th</sup> - Thursday 31<sup>st</sup> August 2023**  
**10.00 - 13.00**

By Paul & Tessa

In this years' workshop, we will be working with each teacher individually and in small groups paying special attention to the newly developed Hands-On procedures for chair and table work.

The subtle, powerful, elasticity of the hands is still the hallmark of what we do. It sets us apart from all other forms of work involving the use of the hands.

The 'teachers warm-up' covering F.M.'s 5 procedures in a fluid arrangement will be included.

You can choose to come only one day, but preferably be there for two days.  
Coffee, tea and sandwiches are provided.

**Location:**  
**Javakade 510, Amsterdam**

The costs are €150 for two days or €75 per day  
Please let us know fairly soon if you wish to attend.
